OCA Item(s) for DCI/DDCI Cable

4 August 1988

~~OCA FILE~~

DCI *Leg*

We have received information that the proponents of the so-called "Grassley amendment" restricting the use of secrecy agreements containing the term "classifiable" may attempt to attach a new version of that provision to one of the supplemental appropriations currently on a Congressional "fast track." We plan to work with the Senate Intelligence Committee and the Administration to develop an appropriate response.
